

The  
**Quality Policy**  
of  
**Crowther Engineering Limited**

**Crowther Engineering Limited** has established a reputation as a quality-led precision engineering machine shop, that delivers effective commercial solutions, specialising in horizontal boring and turning components for a variety of customers.

We are dedicated to providing our customers with quality products and services, giving value for money and complete satisfaction.

In order to achieve this we are committed to a continuous improvement culture throughout the organisation based on stated company objectives and the EN ISO 9001 standard and both industry & legislative requirements.

We aim to understand the requirements of both our customers, colleagues and other interested parties, and recognise the importance of:

- a) Safety
- b) Training
- c) Housekeeping

We view Quality as an essential company framework to gain competitive advantage, as well as reinforcing and enhancing the company's reputation and image.

Signed.....
